RESIDENTIAL PROJECTS

VONDOM

OUR PASSION IS DESIGN

Vondom´s challenge has been to inspire life in every piece, achieving a natural balance between the environment, shapes, and forms. This philosophy is transferred throughout our creations and our designer culture represents our key to success and a guideline in every step we take.

We are proud to present a range of residential projects that, thanks to our designs, have managed to acquire characteristic features and, ultimately, a sophisticated Mediterranean style.
