

## Faz bar stool 57x51x111cm

by Ramón Esteve

Faz is a modular collection of outdoor furniture and planters designed by Ramón Esteve for Vondom. He is the architect of harmony, serenity, timelessness and universality, and he has created mineral and emphatic shapes that make Faz a design that contextualizes with homes and installations. An ambience, encircling as a result of the blissful combination of the material and lighting, so that the sole sensation would be its fusion.
