

## Alma planter

by A-cero

This outdoor furniture collection takes inspiration from the Japanese art of Origami, which involves folding paper to create a variety of forms, all while adhering to the philosophy of “Less is more”.

The Alma planter, on the other hand, is inspired by the architecture of the towers of Dubai.

Designed by A-Cero.

## Info

---

### Description

Pot made of polyethylene resin by rotational moulding. 100% Recyclable. Item suitable for indoor and outdoor use. Available in different finishes.

Weight: 17.87 Kg
