

Gatsby prisma planter 40x40x80

by Ramón Esteve

The Gatsby collection, designed by Ramón Esteve for Vondom, is reminiscent of Art Déco lighting. Those roaring twenties. “Something new, extraordinary, beautiful, simple but sophisticatedly designed” said Francis Scott Fitzgerald of his goals for the novel he was about to write. The Great Gatsby was born in a time of prosperity, parties and excess. It was called “The American Dream”.
